

Eskdale School

16.12.2021

Dear Parents/Carers,

As you may be aware, secondary schools are required to administer on-site Covid-19 LFT tests to all students before they return to school in the New Year. We are planning for this to take place during the first week of January.

On Wednesday 5th January 2022 we will be testing our Key Stage 4 students. All Year 10 and 11 students can come to school between 10am and 3pm on that day for testing which will take place in the school gym. These students will then return to school on Thursday 6th January 2022.

On Thursday 6th January 2022, we will be testing our Key Stage 3 students. All Year 7, 8 and 9 students can come to school between 10am and 3pm on that day for testing which will also take place in the school gym. These students will then return to school on Friday 7th January 2022.

If a student tests positive, they will need to immediately isolate and book a PCR test to confirm the result.

Thank you in advance for your support as we continue to follow government guidance and minimise the chances of outbreaks in school. Have a wonderful Christmas holiday.

Yours Sincerely,

Mr Paul Dixon
