Eskdale School

Subject Information

Year 11 Mathematics

Foundation Tier

Overview

Our students in Year 11 are following the Edexcel GCSE Maths one-year scheme of work. Set 1 is following the higher tier scheme, while sets 2, 3, and 4 are following the foundation tier scheme. The one-year scheme of learning allows staff to revisit a breadth of topics and address any lost learning caused by the impact of Covid-19.

Term 1

Groundwork: Number; Groundwork: Algebra; Groundwork: Geometry; Groundwork: Statistics; Percentages; Indices and roots; Algebraic manipulation; Straight-line graphs; Angle properties in shapes; Accuracy; Circles

Mock exams in November

Term 2

Equations and inequalities; Probability; Sequences; Constructions; Quadratics.

Following the release of the Advance Information from the exam board the scheme of learning for the remainder of the term was adapted in light of this information.

Term 3

Exam preparation
