

8th July 2022

Dear students,

Well done for your efforts this year and in your recent exams. I hope you will now be able to enjoy your summer holidays and have a chance to relax after the intensity of studying! Please find below the details for the results day this summer.

Thursday 25th August - GCSE and Vocational Results

All grades and results will be issued between 9am and 11am in the main hall at Eskdale School.

Students will gather on the school yard before 9am, and you will then be directed to the school hall to collect your results. This will be organised by surname and you will be given an envelope with your results inside. We would ask that you do open and check these before you leave so that we can offer any advice or support. You are welcome to bring family members with you but we would ask that they wait in the yard to avoid overcrowding in the main hall.

Should you need any support with understanding your results there will be members of staff available who can help.

Members of staff from Whitby Sixth Form will be in attendance if you wish to discuss your options for further study. There are still spaces available on courses at the sixth form, and those of you who have already expressed interest may wish to enrol on the day.

We also need to confirm some information from you regarding your destination in September. Please complete the google form below now to let us know, and we will confirm this with you on the day before you leave. You can access the google form by clicking here:

If you are unable to collect your results in person, please inform school by email using the address below. An adult such as a parent may collect your results on your behalf. You must email school with the name and address of this adult and state that you are giving them your permission. This adult **MUST** bring proof of ID which includes their address. We cannot release your results if we have not been informed beforehand that somebody else will be collecting them.

Enjoy the rest of your summer and we look forward to celebrating with you in August.

Yours sincerely,

Mrs J Pickerill
Associate Headteacher
