Annex A – Terms of Reference

Annex B – Scheme of Delegation to the Headteacher/Principal

AIMS:

It is the aim of the Governing Body to ensure that all financial resources made available to the College are used in an efficient and effective manner in order to ensure that Value for Money is achieved. The aim of this policy is to create a framework within which individual members of the College staff and the Governing Body can achieve this. This policy conforms to the requirements of the LMS Scheme for the Financing of Schools (hereafter referred to as the LMS Scheme) as set out by the Department for Education (DfE) and the North Yorkshire County Council LMS Financial and Contract Procedure Rules (hereafter referred to as the LMS Procedure Rules). The framework within this policy should be operated in conjunction with both the LMS Scheme and the LMS Procedure Rules. It is based on the County Council's recommended model.

GUIDELINES:

Financial decisions will be made after consideration of:

- a) the needs of the students and staff of the Whitby Secondary Partnership;
- b) the conditions and requirements as laid down in the LMS scheme;
- c) the need to support and deliver the National Curriculum together with any additional elements as agreed by the Governing Body;
- d) the financial resources delegated to the School/College; and
- e) the priorities as identified in the costed School/College's development plans.

ORGANISATION OF RESPONSIBILITY AND ACCOUNTABILITY

ROLES AND RESPONSIBILITIES

1. The Governing Body

The Governing Body has a statutory responsibility to oversee the financial management of the School and College and to ensure adherence to the LMS Procedure Rules. The Governing Body recognises the importance of clearly defining the roles and responsibilities of its committees, the Headteacher/Principal and other staff.

2. Finance or Resources Committee/Link Governor role

Where a school has chosen not to operate any committees, the terms of reference should be incorporated into those of the Full Governing Body, as is the case for the Whitby Secondary Partnership. The Governing Board has chosen not to establish a separate resources/finance committee, however, link governors will work with the Headteacher and Principal and other staff to consider the following;

- a) financial monitoring statements
- b) the School and College's budget and long term financial forecasts
- c) the end of financial year outturn statements, and
- d) the annual completion and submission of a Financial Value Standard (SFVS).

The Link Governors will report back to the Full Governing Board at least once per term on their findings. All decisions will be made at Full Governing Body level and will focus on the items described in Annex A.

3. The Heateacher/Principal

The Headteacher/Principal is responsible for:

- a) the detailed preparation of an annual School/College budget which addresses the strategic aims and targets established by the Governing Board;
- b) the day to day management of the School/College/Sixth Form budget under the Scheme of Delegation as set out at Annex B and approved by the Governing Board; and
- c) ensuring the effective operation of the finance function within the School, College and Sixth Form, to include:
 - i. the roles of each member of staff being clearly defined and the duties of staff with responsibility for financial transactions being, as far as is practicable, distributed to ensure that key tasks such as the processing of orders and invoices, are assigned to separate members of staff (segregation of duties) and that appropriate systems of internal check exist;
 - ii. the adherence to the LMS Procedure Rules;
 - iii. the establishment of systems to ensure that financial control is maintained at all times including procedures in the absence of key staff; and
 - iv. the maintenance of appropriate documentation and transactional records.

4. The Bursar/Business Manager

The Bursar/Business Manager is responsible for the preparation of the School/College's annual budget and longer term spending plans including:

- a) the preparation of the School/College's annual budget and longer term spending plans;
- b) the maintenance of computerised records of income and expenditure in line with the DfE recommendations for Consistent Financial Reporting;
- c) the checking and reconciliation of the School/College's financial records to monthly tabulations provided by the Local Authority and to monthly bank statements; and
- d) the undertaking of monitoring procedures and the production of regular monitoring statements for the Headteacher/Principal and Governing Body.

PROCEDURES

All documentation of accounts and finances will be kept in accordance with advice from the Local Authority. Procedures for keeping accounts will be in accordance with the LMS Procedure Rules. A copy of the School's/College's most recent auditor's report will be available for inspection by Governors, OFSTED Inspectors and Officers of the Local Authority.

PECUNIARY AND OTHER BUSINESS INTERESTS

Register of Interests

Under the Financing of Maintained Schools (England) Regulations 2003, school governing bodies are required to establish, and keep updated, a register that lists for each member of the governing body (including, as appropriate, associate members), the Headteacher/Principal and those other members of staff who can influence purchasing decisions, any business interests that they, their partner or any member of their immediate family have.

From 1 September 2015, governing bodies are under a duty to publish on the school/college website their register of interests. The information to be published should, as a minimum, include for each governor:

- their name;
- their category of governor;
- which body appoints them;
- their term of office;
- the names of any committees the governor serves on;
- details of any positions of responsibility such as chair or vice chair of the governing body or a committee of the governing body; and
- details of any relevant business interests, any other educational establishments they govern and any relationships with members of the staff (spouses, partners or relatives).

This requirement also applies to associate members.

This register must include all business interests such as directorships, share holdings with a value in excess of £5,000 and other appointments of influence within a business or any other organisation that may have dealings with the School/College. The disclosures should also include business interests of partners or relatives who may have dealings with the School/College.

The Clerk to the Governing body should ensure that the register is kept up to date and complete and includes all governors, associate members and relevant staff. Where applicable, signed and dated nil returns should also be kept. It is good practice to review the register on an annual basis. In addition, it is good practice for members of staff who can influence purchasing decisions to complete a register of their interests. This register should be maintained by the Headteacher/Principal.

The School/College must ensure there are adequate arrangements in place to manage related party transactions, as detailed in the Financial Value Standard (SFVS). A related party transaction is one where a contract is awarded to a person or body that has close links to the person awarding the contract. In these circumstances, effective systems will be implemented to ensure that open and transparent procedures are followed, and any potential conflicts of interest are adequately and appropriately managed. This will include any interests being declared via business interests forms for those involved in financial decisions and again at the start of relevant meetings. Contractual arrangements and related decision-making will be documented in writing, using an approved format.

BUDGET

1. Aims and Objectives

The Link Governors together with the Headteacher/Principal will consider and provide costing information both for maintaining the required level of educational provision, as well as proposals to develop the short, medium and long term aims and objectives, as identified in the School/College Development Plan. Such consideration will include the determination of an appropriate level of general contingency and the formulation of a policy for the application of any balances in excess of the agreed target, where applicable, for general contingencies on the development proposals within the School/College Development Plan.

It is recognised that finite resources will lead to a need to prioritise proposals and to accelerate/delay spending plans as circumstances change.

2. Budget Timetable

The Headteacher/Principal (or their delegated representative - the Bursar/Business Manager) will prepare financial information for consideration by Full Governing Body and submit it to the Local Authority, where applicable, in line with the following timetable:

Date	Action/Response
Mid-February	S251 budget resource allocation for the next financial year received from the Local Authority
Spring Term	Prepare papers on issues to be <u>addressed</u> in preparation for the setting of the following year's budget
By March 31 st	Prepare and submit a Financial Value Standard (SFVS) return, together with a copy of the relevant minute of the Governing Body or Committee at which it was approved
March/April	Prepare and present to the Governing Body the proposed start budget for the next financial year and the long term financial forecast
May	Prepare and present outturn statements to enable the Governing Body to consider the financial performance in the previous financial year
May	Prepare and submit a Consistent Financial Report return detailing the income and expenditure from the previous financial year (to be used for future benchmarking purposes) to the Local Authority
By May 20 th	Submit the approved start budget to the Local Authority
Autumn term	Prepare and present to the Governing Body the revised budget and updated long term financial forecast , reflecting any staffing changes or updated spending plans, or changes to pupil numbers
By December 31 st	Submit the approved revised budget to the Local Authority

The Governing Body will not submit a deficit budget unless there are exceptional circumstances and advice and written agreement have been received from representatives of the Local Authority, bearing in mind that deficits require the prior approval of the Corporate Director – Strategic Resources and the Corporate Director – Children and Young People's Service.

Budget monitoring reports will be considered by the link governors, at least once a term, with a brief report to the Full Governing Body. Reports will reflect both sums paid and sums committed but not yet paid and estimated expenditure and income for the remainder of the financial year against approved budget headings and will be reconciled to the Local Authority's ORACLE statements and College bank statements. To meet the requirements of the Schools' Financial Value Standard (SFVS) Governors will receive six budget monitoring reports per year, with the opportunity for the Governing Body to raise questions at least three times per year.

3. Efficiency & Value for Money

The School/College will seek to achieve efficiencies and value for money to optimise the use of its financial resources and to invest in teaching and learning. It is the responsibility of the Headteacher/Principal and Governing Body to determine at School/College/Sixth Form level how to secure better value for money.

4. Financial Benchmarking

The Headteacher/Principal (or their representative) will prepare for consideration by the Full Governing Body financial benchmarking comparisons, on an annual basis, each Autumn Term. The benchmarking data will be extracted for similar schools from either the local financial benchmarking database for North Yorkshire or the national DfE financial benchmarking database. The conclusions and recommendations resulting from this process will be used to inform the financial planning and resource allocation process, where relevant.

5. Review of Contracts for Services

Link governors will review the quality, cost and impacts of services purchased from external providers (including the Local Authority), in liaison with the Bursary/Business Manager, on a regular basis **and** before contracts are renewed. To assist in this process the Headteacher/Principal or their representative will prepare a schedule of service contracts to include values and renewal dates in order that priorities for review can be determined. After each review, the Link Governors will make recommendations to the Governing Board.

6. Standards of Financial Management

The Governing Body will have regard to any Standards of Financial Management endorsed by the DfE to self-evaluate the quality of financial management processes and to aid in training staff to become better financial managers.

7. Level of Balances

The link governor(s) will annually review the balances situation of the School/College and make recommendations to the Governing Body. In making its recommendations, the link governor(s) will indicate an optimum level of balances which has regard to the specific issues facing the School/College, whilst acknowledging that financial resources are allocated to schools annually on the number of pupils in the school at that time. The Full Governing Body will have regard to any balance limits placed on schools by the Local Authority and DfE.

8. Virement Procedures

Unless the level of change does not warrant it, the budget will be revised each Autumn Term and the Full Governing Body will be able to vire funds between budget headings within the School/College's overall budget (with the exception of any earmarked funds) or from unallocated resources as appropriate. Requests by the Headteacher/Principal for the further virement of funds, outside the scope of the Scheme of Delegation to the Headteacher/Principal, will also be considered by the Full Governing Body and be subject to their minuted approval.

9. Quality of Information

Governors expect that the financial information they receive will be relevant, timely, reliable and understandable.

10. Extended Activities

The Governing Body will discuss, decide and minute their intention to use School/College budget funding to support the provision of extended School/College activities. The following extended activities are expected to be provided:

- residential trips
- exchange visits
- enrichment activities
- out of school clubs and activities
- involvement in a range of sports fixtures and events.

11. Capital Expenditure

The Full Governing Body will give consideration to the use of the devolved capital allocations available to the School/College in the light of the priorities identified in the School/College Development Plan and then make recommendations to the Governing Body. The School/College will submit a Project Proposal Form in order to seek the Local Authority's consent for any proposed building work, irrespective of the funding source, as per the LMS Procedure Rules.

12. Documentation and Retention of Records

All financial systems and procedures carried out will be in accordance with the Local Authority's LMS Procedure Rules, Scheme of Delegation to the Headteacher/Principal and the School Finance Manual. A copy of these documents will be readily available and kept up to date. All records will be retained in line with the Local Authority's Records Retention and Destruction Schedule for Schools.

13. Purchasing

Before any purchase is made, consideration will be given to any potential economies of scale to be had through use of Local Authority negotiated corporate contracts. Information available from the North Yorkshire Procurement Service for Schools will be given due consideration. Where possible the School/College will consider a Department for Education approved framework when purchasing goods or services. The framework details quality-checked suppliers, encouraging value for money and complying with buying procedures and procurement law (OJEU). This service replaces 'Deals for Schools.' Consideration will be given to obtaining quotations for all purchases in order to ensure that Value for Money is achieved. Where bids are not invited, a Best Value Form will be completed. Where a single purchase of more than £25,000 for Goods and Services, Works or Social and other specific services is involved, further advice will be sought from procurement to ensure that LMS and EU Procedure is followed. The Governing Body requires that staff will follow official ordering procedures at all times and written pre-numbered orders will be used. Verbal orders will be followed up by a written confirmatory order. Individuals must not use official orders to obtain goods and services for their private use. All official orders will be recorded on the School/College's computerised financial system. Orders made on-line should also be followed by an official order. When making purchases, staff **must** adhere to the LMS Procedure Rules.

14. Purchasing Cards

The Governing Body will follow the Local Authority policy and procedures for the use of purchasing cards. Cards must only be used to procure goods and services on behalf of the School/College. They must not be used to obtain cash or for personal transactions.

15. Procedures and Security

The School/College will make use of a computerised financial monitoring package approved and supported by the Local Authority. Data will be input on a regular basis, including financial commitments made by the School/College. Information will be input from and reconciled to the Local Authority's financial statements and School/College bank statements every month. Appropriate use of the package and orderly filing procedures will ensure that all transactions are traceable. Security passwords will be maintained on the computer and documentation will be kept in a secure location. Regular backups will be made of the information held on the computer with the backups stored securely and separately from the computer.

16. Security of Stocks and Equipment

An inventory of stocks and equipment held in the School/College will be maintained and checked on an annual basis in accordance with the LMS Procedure Rules and the Local Authority's guidance. The Governing Body will ensure appropriate and adequate insurance arrangements are in place to protect the School/College's assets and a copy of the policy document will be available for inspection. A register will also be maintained of equipment removed from School/College for use off-site and when it was returned. The Governing Body will authorise write-offs and disposal of surplus stocks and equipment in accordance with LMS Procedure Rules. When it is considered appropriate, the Governing Body will request and act upon the advice of a Crime Prevention Officer.

17. Petty Cash

The amount of cash in the School/College will be kept to a minimum and all monies and associated financial records kept in secure storage. Only staff authorised to do so will have access to petty cash. There will be a limited use of petty cash. Gifts for employees, including the purchase of flowers, will be met from staff donations and not petty cash.

18. Income

The Governing Body will implement a charging and remissions policy for School/College activities which will be made publically available on the School/College website. Steps will be taken to ensure the early collection of income due and receipts issued and records will be kept in line with the LMS Procedure Rules. The School/College will operate an online income collection system which has been approved for school use by the Local Authority and in line with the LMS Procedure Rules. The writing off of debts will be undertaken in line with the LMS Procedure Rules; that is:

- a) for debts up to £250 in value, the School/College will seek the approval of the Governing Body; and
- b) For debts over £250, the approval of the Local Authority must be sought (further to the endorsement of the Governing Board to do so).

19. VAT Returns

VAT returns will be made promptly and accurately using the computerised system in line with the Local Authority's deadlines.

20. Staffing

The Governing Body will consider appointments, terminations, promotions and performance management as necessary.

21. Insurance

The Finance Link Governor(s) will make recommendations annually to the Governing Body, following meetings with the Bursar/Business Manager as to the insurance

requirements of the College. The recommendations will have regard to the minimum cover requirements of the Local Authority and to the costs of insurance services offered by the Local Authority and other providers. The School/College will consider the additional "voluntary" insurance arrangements offered by the Local Authority (ie, staff absence insurance, contents insurance). The Full Governing Body will have due regard to the terms of the insurance documents and these will be considered on an annual basis. The Governing Board will notify the Insurance and Risk Management Section of any eventuality that could affect the Local Authority's insurance arrangements.

22. Computer Systems

The School/College will maintain approved software for the administration of financial records. The School/College has been registered with the Information Commissioner's Office (ICO) in accordance with the Data Protection Act 2018 and the General Data Protection Regulations (GDPR) 2018. All data handling procedures undertaken by the School/College are in accordance with the Local Authority's recommended practices for data security and information governance, and in line with the School/College's information policies and privacy notices.

23. Counter Fraud Arrangements

The School/College will maintain a robust system of controls to safeguard itself against fraudulent or improper use of public money and assets. The Governing Body will ensure that it has adopted a whistle-blowing policy and, along with the Headteacher/Principal, must inform all staff of all staff policies and procedures related to fraud and theft, the controls in place to prevent them and the consequences of breaching these controls. This information must also be included in the induction of new staff and governors.

24. Audit

The systems for finance and administration will be subject to review from time to time by the Local Authority's Internal Audit Service provider and the County Council's external auditors. The Governors, Headteacher/Principal and staff will co-operate with auditors in accordance with the requirements of the LMS Procedure Rules and will consider and implement their requirements in a timely manner.

**TERMS OF REFERENCE FOR THE GOVERNING BODY AND/OR LINK GOVERNORS
WHEN DEALING WITH THE FOLLOWING MATTERS:**

FINANCE

1. To ensure the sound management of the School's/College's financial situation by the regular monitoring and evaluation of financial performance through the use of the Schools' Financial Value Standard (SFVS).
2. To establish regular reporting procedures and make recommendations, where necessary (including virement proposals).
3. To oversee long term financial planning within the School/College in the context of the School/College Development Plan and the policies and objectives of the School/College and wider Whitby Secondary Partnership.
4. To consider and approve the first formal budget plans for the financial year and longer term financial plans.
5. To ensure that the Whitby Secondary Partnership complies with the principles of Value for Money and Efficiency (including the use of local and national financial benchmarking data) in using the resources available.
6. To ensure that the annual self-evaluation of the School's/College's financial management procedures is undertaken by means of the completion and submission to the Local Authority of the DfE's **Colleges Financial Value Standard**; to identify any remedial actions required and the associated timescales for implementation.
7. To regularly review the policy of and to consider and approve appropriate levels of School/College balances.
8. To evaluate the quality, cost and impact of services purchased from all outside providers, including North Yorkshire County Council's Children and Young People's Service, in good time, before contracts are due for renewal.
9. To consider the priorities for the use of the Whitby Secondary Partnership's allocation of Devolved Formula Capital funding.
10. To consider the annual insurance requirements.
11. To receive the report of the Local Authority's auditors and to act upon any recommendations made therein.
12. To determine the Whitby Secondary Partnership's charging and remissions policy and approve and annually review it.
13. To determine the Whitby Secondary Partnership's lettings policy, annually review it and approve it each year.
14. To carry out an annual review of the Whitby Secondary Partnership's Budget Management Policy and to make recommendations to the Governing Board.

PREMISES

15. To provide support and guidance to the Principal on all matters relating to the Whitby Secondary Partnership's premises.
16. To prepare and maintain, in conjunction with the Headteacher/Principal, an Asset Management plan for the Whitby Secondary Partnership.
17. To inspect the Whitby Secondary Partnership's premises annually and to prepare a report of the conditions and a proposed order of priorities for maintenance, improvement and development for each site.
18. To approve the costs and arrangements for maintenance, repairs and redecoration, within the allocated budget and to oversee the preparation and implementation of building contracts.
19. To formulate and implement proposals for the use of the Devolved Formula Capital funding.

20. To prepare, monitor and review Accessibility Plans which will meet the requirements of the Equality Act 2010 and the Special Educational Needs and Disability Act 2001.
21. To agree procedures to be followed for carrying out emergency work and determine the delegation to the Headteacher/Principal for taking appropriate action on behalf of the Governing Body in the event of an emergency.
22. To be aware of the specific responsibilities of Governors and the Local Authority in relation to premises and ensure that the Local Authority is informed of any matters for which it has responsibility.
23. To report the findings of inspections and audits to the Headteacher/Principal and liaise with him to ensure that appropriate remedial action is taken.
24. To regularly monitor the School/College's security measures and implement appropriate action when necessary.
25. To liaise and consult with the Local Authority's Strategic Planning Team as appropriate.
26. To discharge the responsibilities of the Governing Body regarding litter and refuse under the Environmental Protection Act 1990.
27. To prepare, adopt, implement and review a plan for the reduction, re-use, refurbishment or recycling of waste.
28. To assist the Principal and discharge duties under the Health and Safety at Work Act 1974, the Management of Health and Safety at Work Regulations 1999 and other associated legislation, in collaboration with the Local Authority.
29. To consider the Local Authority's health and safety policies and guidance, and to prepare and review a Health and Safety Policy and approve this.
30. To ensure that the necessary safety management systems are in place to implement the health and safety policy.
31. To ensure that risk assessments are carried out and implemented.
32. To monitor the effectiveness of the health and safety arrangements and performance across the Whitby Secondary Partnership.
33. To review any health and safety reports provided.
34. To make periodic recorded inspections of buildings, plant, materials and equipment; to report back to the Governing Board at least annually; and to ensure that the premises are safe and do not put the health of persons at risk whilst they are on the premises.
35. To ensure access to competent persons to assist the College with their health and safety measures.
36. To attend or commission appropriate training for Governors.

STAFFING

37. To prepare a strategy for the overall staffing structure of the School and College and Sixth Form for approval by the Governing Board, after which, to ensure its implementation and review.
38. To approve requests to recruit and advertise vacant and new posts within the allocated budget and be involved in interview processes are required.
39. To prepare job outlines, person specifications and shortlisting criteria for any recruitment exercise.
40. To liaise with the Local Authority for all senior staff appointments.
41. To be involved in the shortlisting and interviewing of shortlisted applicants in compliance with current employment law.
42. To undertake an annual assessment of staff salaries in accordance with the agreed pay policy.
43. To regularly review those policies affecting staffing and make any recommendations for change.
44. To review job descriptions to ensure that they adequately reflect the current requirements of the role.

SCHEME OF DELEGATION TO THE PRINCIPAL

The Principal shall have delegated power to undertake all functions delegated to the Governing Board relating to the LMS Scheme except that:

1. they shall comply with all policy directions given to them from time to time by the Governing Body
2. they shall have the authority to expend all monies allocated to individual or specific items in the approved budgets without further reference to the Governing Body. Where no such specific item exists in the budget they shall not enter into any financial commitment without the consent of the Governing Body or, in the case of an urgent matter, the Chair thereof;
3. the above delegation shall not apply in respect of the appointment of staff. It shall be for the Governing Body to determine, from time to time, the extent of the power of the Headteacher/Principal to deal with staffing matters;
4. the Principal shall not vire from one budget head to another any sum exceeding 0.5%* of the delegated budget or £7,500* whichever is the lesser, without the consent of the Governing Body or, in the case of an urgent matter, the Chair thereof;
5. the Principal shall maximise School/College funds by the careful use of agreed investment opportunities; they shall not transfer funds between current and investment accounts established under the BAFS policy unless a policy to do so has been agreed by the Governing Body (terms should be stated);
6. the Headteacher/Principal shall submit to the Governing Body, at least once each term, and on such further occasions as the Governing Body may specify, reports on all expenditure incurred and commitments entered into, together with details of any income generated, since the last such report to the Governing Body; this report to include a comparison of these latest figures with the budget for the year;
7. any proposal to incur expenditure on new or significantly different policies is to be the subject of a report by the Headteacher/Principal to the Governing Body; the report to include details of cost in both the current and future years;
8. the Headteacher/Principal shall have the power to nominate the Deputy Principal or another named (senior) member of staff to exercise the powers of this delegation during any periods of absence; and
9. the Headteacher/Principal and any other person nominated under Regulation (8) above shall ensure that, at all times, the LMS Procedure Rules relating to schools with delegated budgets are complied with.

*the figure to be determined by the Governing Body
