

**UPDATED JANUARY 2023**

## **Eskdale School : Provider Access Policy Updated: January 2023**

### **Introduction**

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997 and The Department of Education, July 2021: "Baker Clause" and the Provider Access Legislation, January 2023.

### **Rationale**

High quality careers education and guidance in school or college is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

### **Pupil entitlement**

All pupils in years 8 to 11 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme, which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses

**For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11).**

## **UPDATED JANUARY 2023**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- answer questions from pupils.

### **Meaningful provider encounters**

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the [Making it meaningful checklist](#).

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

### **Development**

This policy has been developed and is reviewed annually by the Careers Leader and their senior team link (Gail Mackle and Jamie Henshaw) based on current good practice guidelines by the Department for Education.

Access to other providers is available and promoted to allow all students to access information about other providers of further education and apprenticeships. Caedmon College is committed to encouraging all students to make decisions about their future based on impartial information.

### **Previous providers**

In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- Middlesbrough College
- Scarborough Skills Village
- Scarborough UTC
- Scarborough Tec
- Redcar and Cleveland College
- CU Scarborough
- York St John University

**UPDATED JANUARY 2023**

## **Destinations of our pupils**

Last year our year 11 pupils moved to range of providers in the local area after school:

- Middlesbrough College
- Scarborough Skills Village
- Scarborough UTC
- Scarborough Tec
- Scarborough Sixth Form
- Prior Pursglove
- Redcar & Cleveland College
- Askham Bryan College
- Northern School of Art
- Whitby Sixth Form

## **Management of provider access requests**

### **Procedure**

A provider wishing to request access should contact Gail Mackle, the Careers and Guidance Leader, you can contact her at her email address: [g.mackle@wsp.org.uk](mailto:g.mackle@wsp.org.uk).

### **Opportunities for access**

The school offers the six provider encounters required by law (marked in bold text) and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.

Please speak to our Careers Leader to identify the most suitable opportunity for you.

## UPDATED JANUARY 2023

### Details of premises or facilities to be provided to a person who is given access

Caedmon College will provide an appropriate room or assembly hall to be agreed. All rooms have a computer, projector and screen provided. Computer rooms can also be arranged. The Careers Leader will organise this, working closely with the provider to ensure the facilities are appropriate to the audience. Appropriate safeguarding checks will be carried out. Providers will be met and supervised by a member of staff who will facilitate.

Providers are welcome to leave copies of their prospectus or other relevant course literature with the Careers Guidance Leader, this will be displayed in the Career area, which is available to students at lunch and break times.

### Parents and Carers

Parental involvement is encouraged, and parents may be invited to attend the events to meet the providers.
