### Overview

In this first year, we bring all students up to speed with the basics of the German language, focusing on reading, writing, speaking and listening. We cover topics based on introducing ourselves, our families, and what we like doing.

### Term 1

This term we focus on the topic Who am I? We will focus on your speaking and listening skills to help develop your vocabulary and also spend some time looking at school and vocabulary relating to saying how you feel, describing yourself and basic colours, numbers and the German alphabet.

# Year 7 German

### Term 3

In this summer term, we focus on the things you like to do. You will develop your vocabulary on free time activities & hobbies, German words for different kinds of food and drink, as well as saying when and where you do something.

### Term 2

In this second term, we learn how to describe how you feel, describe yourself, your pets and family. Your vocabulary will use the present tense and show you for the star you are! Ich bin ein Star!
