

**Overview**

In Year 11 students will explore different philosophers and relate their theories to modern life. They will then consider how these theories influence what it means to be part of a community and how communities differ and adapt around the world. We will then look at how community influences justice and why it is important.

Term 1

Who are we?

Year 11 will look at different philosophers and link their theories to real life. Students will investigate philosophies and link them to modern belief.

Religious Studies

Year 11

Term 3

What is justice and why is it important?

Year 11 will look at the justice systems around the world and compare the level of human rights. They will investigate reformation, retribution and prisons around the world.

Term 2

What does it mean to be part of a community?

Year 11 will look at different aspects of community. When does it work and when does it not work? Students will investigate what it means to be part of a community and research different aspects around the globe.
